DESCRIPTION

War Plan Orange Campaign
11 May 1920-30 December 1921
An intense effort was undertaken to prepare the United States for a possible attack by the Japanese.
The success of these efforts was limited by the lack of resources and the limited knowledge of the Japanese.
The success of these efforts was limited by the lack of resources and the limited knowledge of the Japanese.
The success of these efforts was limited by the lack of resources and the limited knowledge of the Japanese.
