Test conducted using 1106g (Patch 4 Official).

Used Scenario 1, Head to Head. Stood down all air groups on both sides. Disbanded KB, et al. Ordered all IJN subs near PH to return to base and disband. Removed starting forces from Johnston Island. When empty, added supplies. Test was performed with 8th Marine Regiment, 34th Infantry Regiment, and 161 Infantry Regiment. All units set to No Replacements. Unloaded one unit, when completely unloaded ran two turns recording data above each turn for case 1. Unloaded second unit and ran test in same fashion for case 2. Unloaded third unit and ran test in same fashion for case 3.
